IMMUNIZATION REQUIREMENTS FOR THE STATE OF CALIFORNIA

Dear Parents/Guardians:

Congratulations upon the acceptance of your child/ren to St. Bruno Catholic School! We are honored to welcome you all.

Under a new law known as SB 277, effective January 1, 2016 exemptions from the Immunization Requirement based on personal beliefs are no longer an option for the vaccines that are currently required for entry into child care or school in California.

Most families will not be affected by the new law because their children have received all required vaccinations.

Personal beliefs exemptions on file for a child already attending child care or school will remain valid until the child reaches the next immunization checkpoint at Kindergarten (including Transitional Kindergarten) or 7th grade.

For more information about SB 277, please see the Frequently Asked Questions available at:

<http://www.shotsforschool.org/laws/sb277faq/>.

For more information about school immunization requirements and resources, please visit the California Department of Public Health's website at www.shotsforschool.org, or contact your local health department or county office of education.

Thank you for helping us to keep our children and community healthy!
